

## **K. C. Ho & Fong is a Caring Company**

We are pleased to announce that our firm K. C. Ho & Fong has been awarded with the Caring Company Logo 2009/10 by the Hong Kong Council of Social Service in recognition of our commitment for community services since 1 March 2010.

The Caring Company Scheme was established by the Hong Kong Council for Social Service in 2003 to promote individuals of Hong Kong business sector to take up greater social responsibilities. It also aims to build up a more cohesive social bonding and strategic partnership amongst entrepreneurs, NGOs and government.

Our firm pledges full supports and commitment in this respectful mission. In doing so, we have participated in the Path Builders Mentorship Programme organized by the Hong Kong Law Society in 2009, in which our senior partner Mr. Junius Ho Kwan Yiu together with our trainee solicitor Mr. Gary Ho served as mentors to provide guidance to youths in Yuen Long District. Through this meaningful event, we assisted our younger generation to gain a positive outlook in life and more importantly not to traverse on deviation such as drug abuse.

Our partner Ms. Connie So and three other staff formed a cooking team to participate in a cooking competition, being one of the theme events organized by the Community Services Committee under the Hong Kong Law Society last July. Not only fun was generated from the amicable cooking and yummy competition, it also helped raising funds for charitable organizations, one of those recipients of the funds was Yan Oi Tong.

Besides, our firm participated in the Fruity Friday organized by World Cancer Research Fund Hong Kong in 2008 and 2009. This event aims to promote the general awareness of a balanced diet and better living to prevent cancer.

Last but not the least, dedication and participation in community services have been made via our lawyers voluntary services and sitting in various social, governmental and NGO's committees. To name a few, our Mr. Junius Kwan Yiu Ho serves as a council member of various legal services bodies, heritage conservation organizations, and an executive committee member of various school management boards and associations.
